Strong team – strong performance!
Globus Tours Switzerland celebrates its 10th anniversary

Corona has caused all of us a great deal of worry. But the light at the end of the tunnel is becoming bigger and brighter – and the next season will be a good one!

That's why we say: full speed ahead! We have even hired reinforcements – four new team members, with an affinity for ship travel and who are highly motivated, have joined us on board Globus Tours. So we are even better positioned than ever for our 10th anniversary.

We are currently expanding our portfolio with our reinforced team. You can look forward to further top-class travel experiences on the most beautiful rivers in Europe. In this newsletter we will be telling you about one of our new shore excursion areas ...

*But above all, today we would like to say **THANK YOU** on the occasion of our anniversary. Thank you for the many years of trust and close cooperation! We are very much looking forward to the next 10 years, during which time we will continue to inspire and enchant your travelling guests.*

Best regards

Andreas Ernst, Manuela van Zelst Stotz and the whole Globus Tours team!

BRABANT – THE NEW RIVER CRUISE REGION FROM GLOBUS TOURS

Vincent van Gogh, a fortress town from the 17th century, rhinos and elephants and a desert: Brabant has some spectacular attractions on offer. And in addition to these top attractions, the Dutch province wins the hearts of its visitors above all with its proverbial hospitality and plenty of local traditions in their original form.

Beekse Bergen: We will take your guests on safari - in the middle of the Netherlands. In the Beekse Bergen Safari Park, you will come up close to Africa's "big five": elephants, rhinos, buffalos, leopards, lions.

Loonse and Drunense Dunes National Park: In the largest area of drifting sand in Western Europe, created 10,000 years ago, you can experience the breath-taking feeling of being in a desert.

The fortress town of Heusden: Visiting Heusden means travelling back in time to the 17th century. The town, which was built around one of the oldest moated castles in north-western Europe, has no less than 134 listed buildings.

's-Hertogenbosch: In the fascinating medieval city, with its alleys and picturesque bridges, a boat trip reveals unimagined perspectives. 's-Hertogenbosch was named the most hospitable town four times in a row!

The museum district of 's-Hertogenbosch makes the dream of seeing a real van Gogh come true. In the "Het Noordbrabants Museum" you can admire original works by the painter genius. Gogh's love of the Brabant countryside, where he grew up, is reflected in his paintings.

Eindhoven: Welcome to the largest city in Brabant, bursting with energy and creativity, innovation and design, and impressive architecture. Here is where the charm of the old town meets futuristic architecture and famous museums, such as the "Van Abbemuseum" and "De Kazerne", invite you to discover modern art.

... and these are just a few highlights from our Brabant itinerary.
